

## Free 1 Day Course For NPPF Step 2 (Formerly OSPRE Part 1) Examination Candidates

Police Pass are running a number of **FREE 1 day courses** to assist with your revision for the NPPF Step 2 (formerly OSPRE Part 1) examination.

The courses run from 9.30 am – 12.30 pm on Zoom.

Please go to [www.policepass.co.uk](http://www.policepass.co.uk) to book a kick start course.

Courses are delivered by a Superintendent, Chief Inspector and Detective Sergeant who have passed the examination themselves in the top 1% nationally, as well as a solicitor and university law lecturer.

The course will involve a series of sessions covering key topics within the examination syllabus which will be delivered via a variety of blended learning techniques. We will show you how easy it is to learn complex topics if you utilise the most effective revision techniques.

You will also receive guidance on examination techniques that we used ourselves to pass the examination.

Also please be aware that Police Pass are offering a free Study Club on a Sunday evening (5pm) for an hour to help guide your revision through the 16 week programme. You can register at [www.policepass.co.uk](http://www.policepass.co.uk) for this free resource as well.

**Please be aware that West Yorkshire Police Federation has secured a discount for members off the books, courses and e-learning.**
